WELCOME TO IRA JONES MIDDLES SCHOOL:

The Student-Parent Handbook Section of this School Agenda provides necessary information about the policies, procedures, and activities at Ira Jones. It is designed to answer most of the questions that parents and students have about our school. Please read it carefully and discuss its contents at home. A copy of the Student-Parent Handbook is available on the district website, which can be used as a reference at home when questions arise during the school year.

So that we know that you and your student are aware of our school board policies, procedures and activities for the year, we ask that you complete the receipt on the bottom portion of this letter. Please have your student **return the entire letter to his/her study hall teacher by September 6th.**

We thank you in advance for your help and ask that you contact the school office at 815.267.3600 if you have any questions.
